“The USAEE is without peer in fostering dialogue and understanding among the community of specialists in energy, whether from academia, corporations, institutional and individual investors, the media, or other interested professionals.”

EDWARD L. MORSE
Managing Director, Credit Suisse

“My USAEE membership has been tremendously valuable by providing a platform for engaging with leading Industry professionals, attending the annual conference and consistent high quality communications and insights.”

DOUGLAS ARENT
Executive Director, Joint Institute for Strategic Energy Analysis, National Renewable Energy Laboratory

“The USAEE is an extremely valuable source for networking at the local, national and international levels. The infusion of new student oriented programs has added new vitality to the organization. I’m proud to have been a charter member.”

GUY CARUSO
Former Administrator, Energy Information Administration
